**Commentary on the Book of Revelation.** Phrase by phrase analyses of the Book of Revelation. This is the product of the *Prophecy Research Initiative*, a lay research team of Seventh-day Adventists. The work also addresses a major question: "Is this phrase, verse or chapter specifically for God's last-day church?" [Wire-O – 1500+ pgs]

**End-Time Secrets of Daniel 8-12 – Preface to the Book of Revelation.** Beautiful, exciting end-time meaning of each chapter (get them in bulk, scatter like leaves of autumn!) [Paperback – 183 pgs – Perfect Bound] – \$19.00

**"Strange Work" of the Seven Trumpets.** The blast from the first four tribulation Trumpets is God's response to the saints' cry, "How long?" That is when He begins His "strange work." Then Satan is given his last chance to "influence" the world in Trumpets 5-7. His actions are so fiendish, the Bible calls them "woes." The Trumpets are God's final statement against sin before He returns and Satan's last revelation of his character. This is one of the most amazing apocalyptic studies! [Paperback – 146 pgs – Perfect Bound]: – \$17.00

**God's Great Week of Time.** Ancient Jewish leaders and early church Fathers believed that the world would end after 6000 years of existence based on the "sacred seven" model introduced in the creation week. This book shows why the second advent comes exactly 6000 years after sin began! [Paperback – 138 pgs – Perfect Bound] – \$14.00

**Rome Stoops to Conquer**, Jesuit Priest Dr. E. Boyd Barrett. This is one of America's most sinister works of how the Catholic Church planned to control America, then the world. Published in 1935, everything remains on schedule. All this was laid out in a six-year period after the Vatican became a "city-state" in 1929 (when the Lateran Treaty was signed). It's an insider's report of what sinful lengths the Vatican would pursue to be, once again, in control. It reveals arrogant raw power of the papacy. [Wire-O – 136 pgs] – \$20.00

**The Woman and the Beast?** (Revelation 17:1-11 w/narrative article) [wire-O – 40 pgs] – \$11.00

**Sacred Time for the End of Time.** Eluded to by expositors but never clearly explained from the Scriptures, this workbook is a first to unfold why the seventh day Sabbath will be a pivotal end-time battle issue. The "mark of the beast" God calls an "abomination." Suppressing the true Sabbath He calls a "transgression." The number 666 takes on new major significance in light of Babylonian numeric systems, all related to **the** day one worships on. [Wire-O – 120 pgs] – \$15.00

**God's Great Week of Time** – [wire-O – 50 pgs] – \$12.00
